VENTURE LAW ADVISORS ASSISTS CLIENTS IN COMPLETING SIGNIFICANT FINANCINGS IN FIRST HALF 2010

DENVER, CO--Venture Law Advisors, LLC (“**Venture**”) announced three of its clients completed private placements during the first half of 2010, raising a total of \$7,750,000 in equity capital. The companies were all formed during the last year and the capital raise was the first for each company. The companies are involved in renewable energy development and project financing, including solar and biomass and in medical device manufacturing.

“We were very pleased to be of assistance in these financings,” said founding principal Charles Knight. “It was particularly gratifying that each of these companies was successful in their capital raises during these challenging economic times
