VENTURE LAW ADVISORS MOVES TO BALLPARK NEIGHBORHOOD

DENVER, CO--Venture Law Advisors, LLC ("**Venture**") announced its move from Greenwood Village to an historic and eclectic building in the BallPark Neighborhood just north of Downtown Denver, Colorado. Venture will occupy a former residence at the corner of 27th and Larimer in an exciting up and coming Denver neighborhood.

"This is the perfect location for Venture," said founding member Charles Knight. "We are located at the edge of the River North Arts District and adjacent to Downtown, but far enough away from the core that clients enjoy free parking and great neighborhood amenities. Most of our clients are young, entrepreneurial and growing businesses and they enjoy the creative and relaxed atmosphere in this part of Denver."
