VENTURE LAW ADVISORS ANNOUNCES ITS BETA LAUNCH OF VENTUREXPRESS

DENVER, CO--[Venture Law Advisors, LLC](#) ("VLA") announces its Beta launch of its [VentureXpress](#) service. VLA's VentureXpress products provide emerging businesses packaged and a la carte legal services from experienced business lawyers at affordable and predictable prices. VLA's initial VentureXpress packages include:

- Incorporation Packages (starting at \$549)
- Single and Multi-Member LLC Packages (\$349 and up)
- Employment and Equity Compensation Packages
- Public Relations and Marketing Professional Package
- Employee Offer Letters and Consulting Agreements
- Promissory Notes
- Nondisclosure Agreements
- And more....

Clients may also access VentureXpress employment agreements, consulting agreements, NDAs, and more through the firm's web-based form builder powered by [Brightleaf Corporation](#), a venture-backed technology company focused on bringing intelligent document automation to law firms and legal departments.

"We are very excited to introduce our VentureXpress line of legal services," says VLA partner Bryan McKae. "The ability to offer emerging companies institutional quality and semi-custom legal documents at price points that make sense is a game-changer. And through Brightleaf's Leaflet™ applications, our clients can better leverage their legal documents and more efficiently utilize our firm's legal expertise."
